Thank you for helping women and children in our community who are making their way out of life threatening situations.

YOUR SWING MAKES AN IMPACT!

Funds raised by the Transition House Foundation create a powerful and positive impact in the lives of vulnerable women and children in our community, particularly those experiencing intimate partner violence throughout the CBRM and Victoria County.

Women who come to the Cape Breton Transition House often arrive with just the clothes they are wearing. Here's a sample of how the generous donations and sponsorships we received last year may have been used to help.

\$200 can provide emergency dental work needed as a result of abuse or poverty, when not covered by dental benefits.

\$175 can help 1-3 clients afford prescriptions not covered under plans. Clients frequently arrive to the shelter without life-saving medications.

\$100 grocery cards are provided to women starting over in their own apartment to help purchase kitchen supplies like spices, flour, and other staple items.

\$75 provides a movie or bingo fun night in shelter (helps up to 21 people with social inclusion and self care).

\$50 food vouchers are given to outreach clients in need.

\$20 can buy a cake for someone celebrating their birthday in shelter.

\$12 can pay for necessary menstrual supplies.

\$5-\$10 gives a child staying in shelter a weekly allowance.

\$2 may not sound like a lot but a toonie can buy a coffee as a treat after an appointment and goes a long way to promote social inclusion.

The life changing services provided at Cape Breton Transition House are not be possible without the ongoing generosity of our neighbours, friends and allies. We can't thank you enough!
